

Phone Free- School Solutions

INTRODUCTION

Eduplan is a trusted educational solutions provider, supporting schools with highquality resources and innovative programmes from leading international partners. We help institutions create focused, distraction free learning environments that enhance student wellbeing, engagement, and academic performance.

BENEFITS OF A PHONE-FREE SCHOOL ENVIRONMENT

Improved focus & learning

Reduces distractions and helps students stay engaged in lessons.

Creates a calm and respectful learning atmosphere.

Positive classroom behavior

Better academic outcomes

HOW IT WORKS?

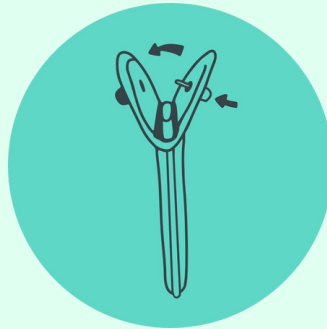

ARRIVAL

During arrival, students switch off their phones and place them in to the pouch under staff supervision.

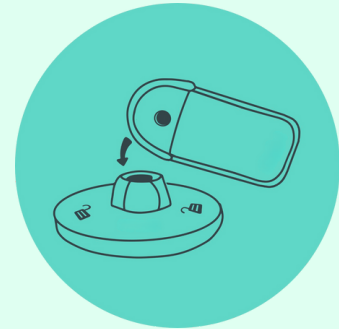

SECURE

The pouch is locked and remains with the student during the school day

UNLOCK

At dismissal, authorized staff unlock the pouch using the magnetic unlocker
